Selectmen's Report

The following is a report of the activities of your Town Office:

This past year has been a difficult one for all Communities. It is our feeling that 1976 will bring forth a brighter outlook for West Rutland.

During the year we have planned for sewer extension system that will provide service to an additional 100 homes, this construction will commence in the Spring of 1976. We have worked with a company to construct a shopping center in the Town. This center will give us a broader tax base and also provide approximately 40 job openings for the Community. Along these lines we are working closely with the Vermont Industrial Development Commission to bring more industry to West Rutland. We have received favorable inquiries on this aspect. We have been active with the Upper Castleton River Project. This Project has progressed now to the point of acquiring land easements to commence channeling on the lateral portion.

We feel that the present Board of Selectmen has worked well together keeping foremost in our minds the economic development of our Community in the years ahead.

We are working with the Federal Urban Highway Development System. Under this system the Community would obligate only 15% of the cost of construction. While we have not been satisfied with some of the quotations, we are continuing efforts to arrive at some point that will help the Community.

We have taken full advantage of the EEA and CETA programs. These Programs provide salaries for several employees of the Town. Also instituted during the year was an Employee Benefit Plan to eliminate employee turn-over which we have experienced in the past.

Litigation is still pending on the Waste Disposal Suit. We have requested a special assignment for the case to be heard in Rutland County Superior Court.

After two Public Hearings, we entered the National Flood Insurance Program, sponsored by the Federal Insurance Administration. This program enables persons in the so-called flood area to purchase flood insurance at a reduced rate. Also sell or purchase property in these areas through federally insured lending facilities. Without this program, property could not be sold or purchased through the banks for financing. The transaction would have to be in cash or personal loan facilities.

With Revenue Sharing Funds, we have constructed two tennis courts on land owned by the West Rutland School District. This facility has provided much recreation for both adults and children of the Community. It is anticipated that this sport will be incorporated into the physical education program. We have purchased a new Town Dump Truck replacing one of our 1968 trucks. We utilized some equipment already owned so were able to completely equip the truck for year round use for less money than requested at the 1975 Town Meeting. It is requested that we be granted permission to purchase another truck replacing the other 1968 truck this year as the cost of maintaining and repairing this vehicle has been extensive. In October a Special Meeting was held, rescinding the vote of \$25,000 for a new Town Garage. In its place we requested \$8,500 for an addition and refurbishing the present garage. Our present garage is centrally located and the construction of a new facility under present day costs would be in excess of \$50,000.

In the Spring, Mr. William Valentine was appointed Assistant Tax Collector. He was given the delinquent tax accounts prior to 1974. Delinquent real estate tax list

has diminished, the present problem lies in collecting delinquent poll taxes. The only avenue for collection appears to be Small Claims Court, this we have authorized Mr. Valentine to do, in order to eliminate the list of delinquent poll taxes.

We have met with representatives of the Solid Waste, Division Agency of Environmental Conservation to update our landfill in order to release monies held in escrow by that Agency. At the last meeting, an engineer and our representative are to accomplish soil testing and further evaluation of our facility. We are seeking the release of some \$4,000 held in escrow at this time along with annual monetary support.

Summer paving was accomplished with resurfacing the last of the already paved side streets. A leveling surface was applied to half of Pleasant Street. It ended at St. Bridget's Church as at that point the cost of material had exceeded the original estimate for the entire street. It is planned now to continue leveling the remainder of Pleasant Street in 1976. In 1976 we plan to re-establish a program of eliminating our dirt roads.

We wish to take this opportunity to thank the people of our Community for their support throughout the year.

School Health Department Report

1975

The West Rutland PTO Dental Program enabled 302 students to receive cleaning-examination and fluoride treatments, by Mrs. Helena Waterhouse RDH and Dr. Edward Reimann acted as consulting dentist. Weekly fluoride rinses are being done in Grades 3, 4, 5, and 6 Public School. Dental Brush-ins were conducted and dental movies shown to Grades K-6 Public and Grades 1-6 St. Stanislaus. Dental examinations by State Dental Hygienist were made on students Grades K through 8 Public School and 1-8 St. Stanislaus.

Five immunization and well-child clinics were held in 1975. All clinics were under the direction of Dr. Frank Smolinski, School Nurse and School Health Dept. Volunteers. Physical exams were offered to all Kindergarten and First Grade students, both schools.

Vision and hearing tests were completed K-12 Public School and 1-8 S.S.K. Eighteen students were referred for visual problems and twelve for further hearing evaluations. All referrals were followed through.

A Pre-School clinic for 45 children was held last Spring.

The Vitamin Program sponsored by the PTO is in force in both schools. T.B. Tine Testing was done on staff members at their request.

Health movies were shown to girls in Grades 5, 6, and 7 Public School and Grades 5-6 at S.S.K. Home Nursing was taught by School Nurse to students in Grades 9 and 10 during their Family Living Course.

Our Throat Culture Program remains active. A Scoliosis Screening Program is scheduled for Spring, 1976.

First Aid was given and students referred when necessary.

Courses attended by School Nurse — a 90-hour course on "Health and Human Behavior", a 3-day workshop at Vermont Achievement Center on Local Help and Agencies Available for Referral.

Many, many sincere thanks to Dr. Frank Smolinski, Dr. E. Reimann and all mothers who have helped so kindly in our Health Department. A special thanks to all parents, staff and students for their cooperation.

Respectively submitted,

MRS. LORRAINE DAVIS, RN
School Nurse

1975 ANNUAL REPORT

It is my pleasure as Director of the Rutland Area Visiting Nurse Association, Inc. to present our Annual Report for the fiscal year ending December 1975.

The health care demands continue to grow and our agency is always striving to provide the best possible care to people in their homes. Health care cost has increased to a startling figure but our service is still one of the least expensive. It appears to be more satisfactory to the patient and family if the care can be provided at home. It has also proved to be cheaper to provide. Home Health services are now being recognized as a very important part of the Total Health care.

Our program includes Skilled Nursing Care, Physical Therapy, Speech Therapy, Occupational Therapy and Homemaker-Home Health Aide service. We provide preventive clinics to senior citizens and coordinate with state Public Health on all Well Child Conference Clinics. We also contract with several schools in the County to provide school nursing. Pre-natal classes are conducted on a regular basis for expectant parents with follow-up care in the home for the newborn and mother when the need arises.

We continue to work closely with other community resources so as to bring continuity of care to all patients that we serve.

Starting in January 1976, we will have a new service available for our area population. We have started a dialysis team which will provide a dialysis helper to an individual that needs this service in his home. This program was created because of requests of need.

Total direct services into the home that have been provided to your town are as follows:

Skilled Nursing Care	1,216 visits
Physical Therapy	78 visits
Speech Therapy	2 visits
Occupational Therapy	4 visits
Homemaker-Home Health Aide	144 visits

The coordinating program with the hospital on discharge planning continues to grow. We are also trying to initiate a better coordinating system with the Extended Care Facilities in the area. This enables us to provide more continuity when patients are ready to go home. This seems to be well under way.

The evaluation visits to homes to determine need continues to grow with the physicians utilizing our staff to check problems of patients when they cannot make a home visit.

We are always happy to provide nursing staff for any event that requires skilled nursing for your town. Please feel free to call on us for your needs; this is what we are here for.

We are looking forward to another busy year continuing to serve the people of your town and striving for the best quality of health care.

Respectfully submitted,

EVELYN MORGAN, R.N.
Director

Rutland Opportunity Council, Inc.

The Rutland Opportunity Council meets the needs of low-income and elderly people. The Council provides services and programs for people who need help in solving their problems.

During 1975 R.O.C. worked with a total of 105 West Rutland families, providing an average of 163 direct services each quarter for these families. These services meet such needs as transportation, help with forms, social service information, counselling and personal needs. The Council assisted 32 West Rutland families with their fuel problems (\$880) and winterization needs (\$291). Other work in West Rutland this past year included the organization and development of the Senior Group (36 Senior Citizens), chore services, financial support of Summer Recreation Program and cooperative agency work (eg., Nutrition Project).

The Council appreciates the financial support which the Town of West Rutland has provided in the past. We invite suggestions from West Rutland citizens; our worker in the area, Marge Wells, is always interested to hear about family or community needs where we might be able to help.

Report of West Rutland Recreation Committee

Our meetings regarding the summer program for 1975 began in April. As in the past, the Selectmen, who control all funds, reviewed the proposals and allocated the funds.

Mr. Lucian J. Wiskoski, a Selectman, was appointed as coordinator of the Recreation Department again this year.

In April with the cooperation of the Fish and Game Department, we held our third successful Fishing Derby at Sabotka's.

This past year, we hired Bill Johnson as director of our eight week summer program. His duties included lifeguarding and maintaining our recreational area at Sabotka's. Miss Mary Ellen Austin conducted a successful swimming lesson program at Sabotka's.

Many families enjoyed the facilities at the recreation area. Two more docks were installed this past summer for the intermediate and younger children. Samples of water were regularly submitted to the State Health Department and some tests showed at times there was a need to add chlorine, due to water shortages.

Three outdoor dances were held for the Teens of our Town at the tennis court with Robert Bascom, a local disc jockey, with attendance averaging around 200.

With the cooperation of the Citizens and Selectmen of our Town we now have two regulation tennis courts. These were financed with Revenue Sharing funds. Adults as well as the children of our Town certainly enjoyed this recreational facility and will for many years to come.

At this writing, our skating rink is open, under the direction of Mr. Jerry Pratt of Rutland.

We wish to publicly thank the Selectmen and the many people who donated their time and efforts to our programs.

Report of the Bicentennial Committee

The Chairpersons for the West Rutland Bicentennial Committee were appointed by the Board of Selectmen late in 1974. An application was submitted to the American Revolution Bicentennial Administration through the Vermont Bicentennial Commission to be officially recognized as a "Bicentennial Community". At the same time the Committee applied for matching funds for several projects it planned for 1975-1976.

On March 20, 1975, West Rutland was accepted as an official "Bicentennial Community" by the American Revolution Bicentennial Commission and on April 7, 1975, we were given a matching grant-in-aid of \$1,150 by the Vermont Bicentennial Commission.

Our Bicentennial Flag presentation ceremonies were organized by the Student Chairpersons and held in the Hinchey Gymnasium at West Rutland High School. Vermont Bicentennial Chairman, the Honorable John Burgess, presented the Bicentennial Flag to Lucian Wiskoski, Chairman of the Board of Selectmen. The Flag now is flown over the Town Hall with the American Flag.

On May 3, 1975, a cooperative effort between the Rutland Historical Society and the West Rutland Bicentennial Committee was realized. A Dedication of a Memorial to Rev. William Emerson, Chaplain of the Revolutionary Forces at Fort Ticonderoga, was held in the Pleasant Street Cemetery. Local participants in the ceremony included the West Rutland American Legion Color Guard, the West Rutland High School Band and Chorus, and local Clergy. Speaker for the event was the Honorable Robert T. Stafford, Senior Senator from the State of Vermont.

During the Summer the Neighborhood Youth Corps Girls and Boys, under the direction of the town, painted the fire hydrant and school swing set a colorful patriotic red, white and blue. This same group of student-workers helped to clear and clean up the Wipple Hollow Cemetery.

The Beautification Committee is endeavoring to come up with workable suggestions for a town project to improve our town appearance. Any suggestions or help will be welcome.

On November 26, 1975, the Students of West Rutland High School participated in the Hypotenuse to History by hauling the wooden cannon from Rutland Town to Pittsford. Locally this was organized by the Student Chairpersons.

Presently we are working on plans for taped interviews with Senior Citizens so that we might have a lasting record of their remembrances of life around the turn of the century in West Rutland. Also, it is hoped that a display of articles of memorabilia, photographs, and other items of early West Rutland life can be organized for this Summer or early Fall. The Chairpersons are hoping that each local organization will wish to display historical articles of interest concerning their particular organization.

We hope that anyone who is interested in helping in any of our planned projects or who may have photographs or articles for display will contact one of us.
